

Prof. Dr. Christine Wieck– Curriculum Vitae

AFFILIATION

Head of Chair “Agricultural and Food Policy”
Institute of Agricultural Policy and Markets
University of Hohenheim
Schwerzstr. 46, 70593 Stuttgart (Germany)
Office: Building 04.35, Osthof-Süd, Room 144

Nationality: German
Gender: Female
Parental leave: 09/2007-04/2008, 09/2008, 08/2009, 04/2010-12/2010, 08/2011, 07/2012,
08/2013, 08/2016; 08/2017

RESEARCH INTERESTS AND FIELDS OF WORK

- Policy design and impact analysis for the sustainable transformation of food systems in open and globalised agri-food markets
 - Due Diligence and responsible supply chains and trade policy
 - European agricultural policy: quantitative analysis of agricultural income policies, organic farming, biodiversity; animal welfare
 - Measurement of policy impacts using indicator systems such as SDGs
- International food trade: Differences in food regulations across countries; food safety governance; trade costs and trade impacts of non-tariff measures; SPS agreement.
- African agricultural and trade policies: Supportive policies for the development of the food economy and regional trade policies
- Europe – Africa relationships and agricultural policy and trade

ACADEMIC EDUCATION

2016	Habilitation (<i>venia legendi</i>) in agricultural policy and international trade, University of Bonn (Germany) <u>Title of Thesis:</u> Regulatory impacts on agricultural and food markets
2005	PhD in Agricultural Economics (Dr. agr.), University of Bonn (Germany) <u>Title of Thesis:</u> Determinants, distribution, and development of marginal costs in dairy production: An empirical analysis of dairy production regions in the EU.
2001	Postgraduate Course on World Trade Organisation, International Centre for Advanced Mediterranean Agronomic Studies, Zaragoza (Spain)
2000	M.S. in Agricultural Economics (Dipl. Ing. agr.), University of Bonn (Germany) <u>Title of Thesis:</u> Analysis of the Impacts of Common Agricultural Policy Measures on the Regional Income Distribution.

PROFESSIONAL EXPERIENCE

01/2023 – present	Deputy Chair of the German Association of Agricultural Economics and Social Sciences (GEWISOLA)
03/2022 – 09/2023	Member of an evaluation group of the German Science and Humanities Council (Wissenschaftsrat) for the evaluation of the university system of Schleswig-Holstein (Landesstrukturbegutachtung)
01/2022 – 12/2023	Leading working group of scientific advisory board (WBAE) on due diligence in agricultural food supply chains
12/2020 – present	Member of scientific advisory board of German Ministry of Food and Agriculture (BMEL)
01/2020 – present	Member of scientific advisory board of German-African Business Organisation (Afrika-Verein der deutschen Wirtschaft)
09/2019 – present	Member of “Kuratorium” of Andreas Hermes Akademie, Bonn
02/2018 – present	Professor for Agricultural and Food Policy, University of Hohenheim
05/2018 – 03/2019	Invited Member of EU Task Force “Rural Africa”, DG Agri, EU Commission
09/2015 – 08/2018	Representation of German SPS capacity development in Standards and Trade Development Capacity (STDF) of WTO, Geneva
05/2016 – 01/2018	Adjunct Professor (“Privatdozentin”), Institute for Food and Resource Economics, University of Bonn
01/2017 – 12/2017	GIZ representative in advisory board of German Import Promotion Desk, Berlin
06/2015 – 01/2018	Agricultural Trade policy advisor, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), Bonn
02/2012 – 05/2015	Vice-Speaker, Center of Integrated Dairy Research (CIDRe)
02/2008 – 05/2015	Assistant Professor (“Akademische Rätin”), Institute for Food and Resource Economics, University of Bonn
06/2007 – 01/2008	Research Fellow, Institute for Food and Resource Economics, University of Bonn
01/2007 – 06/2007	Assistant Professor, School of Economic Sciences, Washington State University (USA)
01/2005 – 12/2006	Postdoctoral Research Associate, IMPACT Center, Washington State University (USA)
12/2000 – 12/2004	Research Assistant, Institute for Agricultural Policy, University of Bonn
10/2003 – 11/2003	Internship at Permanent Mission of Germany to the International Organisations, Geneva (Switzerland) WTO-Unit, Agricultural Negotiations Section
09/2000 – 11/2000	Research Assistant, Institute for Agricultural Policy, Technical University of Valencia (Spain)
09/1992 – 08/1996	Agricultural apprenticeship and work on dairy farms (Germany)

THIRD PARTY FUNDING

Funding by German Research Foundation (DFG)

2022-2025	<i>Empirical analysis of sustainability trade-offs in EU agri-food production by combining indicator-based policy performance assessment with a theory-consistent production framework, Principle investigator.</i>
-----------	---

2015-2018 *Understanding spatial interactions and structural change in the dairy production chain with a dynamic regional Agent Based Model covering dairy farms and dairy processing.* 2 PhD positions, 2 Principle investigators: Christine Wieck and Wolfgang Britz.

Grant writing and application done by C. Wieck and W. Britz. My part was handed over to T. Heckelei when I left the University of Bonn in 05/2015 (GEPRIS Status: ehemalige Antragstellerin).

2012-2015 *Analysis of dairy production systems differentiated by location,* Principle investigator.

Other funding sources

2025-2027 *Indigenous and neglected crops (INC) promotion for resilient food systems in Southern Africa (INCrease) – Project phase.* PI (together with Ndiko Ludidi UWC), participating partners University of Western Cape, University of Fort Hare, University of Zululand, Funded by BMEL

2024 *Indigenous and neglected crops (INC) promotion for resilient food systems in Southern Africa (INCrease) –Zwischenworkshop und Treffen mit den Stakeholdern von INCrease.* PI (together with Ndiko Ludidi UWC), participating partners University of Western Cape, University of Fort Hare, University of Zululand, Funded by BMEL

2023 *Geo-strategic aspects of food trade and food security in the light of recent tensions on international markets – policy choices in country cases.* PI (together with Bettina Rudloff), Funding for a Commissioned Paper by the International Agricultural Trade Research Consortium.

2023 *Indigenous and neglected crops (INC) promotion for resilient food systems in Southern Africa (INCrease) – initiation phase,* PI (together with Ndiko Ludidi UWC), participating partners University of Western Cape, University of Fort Hare, University of Zululand, Funded by BMEL.

2022-2023 *Modelling of Policy Options - Study Supporting the Revision of EU Animal Welfare Legislation.* PI, Funded by EU Commission (DG SANTE).

2021 *Cost Benefit Analysis of EU Animal Welfare Legislation.* PI, Funded by EU Commission (DG SANTE).

2020-2021 *Mapping agricultural trade within the ECOWAS: structure and flow of agricultural products, barriers to trade, financing gaps and policy options.* PI, Funded by GIZ.

2020-2021 *European and Member State policy responses and economic impacts on agri-food markets due to the Covid-19 pandemic.* PI, Funding for a Commissioned Paper by the International Agricultural Trade Research Consortium.

2020-2021 *COVID-19 Outbreak Transmission Pathways along Interconnected Food Supply Chains: A comparative analysis of policy responses.* PI, Seed grant funded by University of Hohenheim.

2019-2020 *Sustainable agricultural supply chains: role and scope of multi-actor partnerships.* PI; Funded by GIZ.

2014-2017 *Further analysis of the impacts of SPS measures on US fresh fruit and vegetable trade.* PIs: J. Grant, E. Peterson (both Virginia Tech), D. Orden (IFPRI), D. Roberts (USDA), T. Otsuki (Osaka University), C. Wieck, National Institute of Food and Agriculture (United States).

2014 *Development of EU dairy farms after 2015.* PIs: M. Kempen, C. Wieck (both University of Bonn), R. Jongeneel (LEI), John Deere Enterprise Market Research (Germany).

- 2013-2014 Research in Ghana on *regional market integration and obstacles to financing in food value chains* in cooperation with GIZ sector project “Agricultural Trade and Private Sector Cooperation in Rural Areas”, Principle investigator, Funded by GIZ (Germany).
- 2009-2011 *Assessment of the Impacts of Non-Tariff Measures – NTM on the Competitiveness of the EU and selected Trade Partners (NTM-Impact)*, Collaborator, 2.362.000 €, 7th Framework Programme, DG-Research, European Commission.
- 2007-2008 *Compliance Costs for Sanitary and Phytosanitary (SPS) Regulations in the Washington State Apple Industry*, Collaborator, \$30.000, Research Seed Grant, IMPACT Center.
- 2006-2007 *The Effects of the Reduction of Sanitary and Phytosanitary (SPS) Barriers to Trade on the Washington State Apple Industry*, Collaborator, \$30.000, Research Seed Grant, IMPACT Center.
- 2005-2006 *Specialty Crops Policy Options and Consequences: Implications for the PNW*, Collaborator, \$100.000, California Institute for the Study of Specialty Crops.
- 2004 *Travel grant to attend the Annual Meeting of the Agricultural & Applied Economics Association*, 2.000 €, German Research Foundation (DFG).
- 2002 *Impact Analysis of Midterm Review Proposal*, Collaborator, 10.000 €, DG-AGRI, European Commission.
- 2001-2004 *Common Agricultural Policy Strategy for Regions, Agriculture and Trade (CAPSTRAT)*, 900.000 €, Collaborator, 5th Framework Programme, DG-Research, European Commission.
- 2000 *Analysis of Regional Income Distribution*, Student Participant, 2.000 €, Spanish Ministry of Agriculture.

11. "Handbook for the promotion of the agricultural and food economy in developing countries", by Julia Reimers, Helmut Born and others, 2017.

TEACHING

- Since 2018 University of Hohenheim
Mehrfach wurden die Vorlesungen *Applied Econometrics* und *Agricultural and Food Policy* unter die **Top-3 besten Mastervorlesungen** der Fakultät Agrarwissenschaften gewählt
- Organisation of student study trip to food and agriculture related EU agencies **Brussels** (with Katrin Winkler, Regina Birner), Master level (2019, 2022, 2024)
 - Organisation of student study trip to food and agriculture related UN Agencies in **Rome** (with Katrin Winkler, Regina Birner), Master level (2023)
 - Joint research seminar on policy, markets and trade in the bioeconomy (Chairs 420a, 420b, 420c, 420d, 490b)
 - Agricultural and Food Policy, Master level
 - Policies for Sustainability Transformation, Master level
 - Applied Econometrics, Master level
 - Agricultural Economics Seminar, Master level
 - Advanced Policy Analysis Modelling, Master level
 - Agrarpolitik, Bachelor level
 - Politikanalyse, Bachelor level
 - Grundlagen der Ökonomie, Teilmodul Mikroökonomie, Bachelor level
 - Advanced Applied Econometrics (German PhD Program in Agricultural Economics, with S. Hüttel, S. Hess, S. Hirsch)
- 2008 – 2017 University of Bonn
- European and International Agricultural Policy, Master level
 - Seminar Policy Analysis, co-taught, Master level
 - Applied Trade Theory and Policy, Master level
 - Special Project in Agricultural and Development Policy, co-taught, Master level
- 2012 - 2013 University of Hohenheim
- Applied Econometrics, teaching appointment as substitute for Prof. Dr. Martina Brockmeier, Master level
- 2005 - 2006 Washington State University
- International Trade and Marketing, Bachelor level
- 2002 University of Bonn
- Methods in Quantitative Policy Information Systems, Master level
 - Introduction to Policy Information Systems, Master level

ORGANIZATION OF SCIENTIFIC EVENTS

- 2024 WBAE Öffentliche Vorlesungsreihe im Sommersemester 2024 zum Gutachten: Neue Sorgfaltspflichten für Unternehmen des Agrar- und Ernährungssektors: Empfehlungen zu aktuellen Gesetzesentwicklungen. Alle Videos zur Vorlesung sind jetzt auf YouTube verfügbar. <https://www.youtube.com/@agrarmarketing1719>
- 2023 Organised Session auf EAAE Conference zu “Animal welfare policies in the EU”, 1.9.2023 Rennes.

- 2022 Pre-conference Session GeWiSoLa „Repurposing subsidies: Challenges, scope and hope“, 7.9.2022, Hohenheim
Roundtable discussion “EU/German-African cooperation on agri-food matters: quo vadis”, Organised session GeWiSoLa, 8.9.2022, Hohenheim
- 2021 Landwirtschaftlicher Hochschultag der Fakultät Agrarwissenschaften: Die landwirtschaftlichen Wertschöpfungsketten der Zukunft: Zeit für neue Weichenstellungen in Politik, Landwirtschaft und Ernährungsbranche?, <https://agrar.uni-hohenheim.de/landwirtschaftlicher-hochschultag-2021>
- 2018 Organisation of session on Bioeconomy and food production, Food2030: Towards Sustainable Agri-Food Systems, International Congress, Stuttgart.
- 2018 Organisation of two oral sessions on African trade policy on International Conference of Agricultural Economics, Vancouver.
- 2018 Organisation of dialogue event on “Agricultural Trade and the Development of the local food Economy in Sub-Saharan Africa” together with H. Grethe (HU Berlin) and GIZ, 4.5.2018, Berlin.
- 2016 Organised session “*Why is Africa not feeding Africa?*”, Organizer, together with Heike Höffler, Annual German Agricultural Economics Conference, Bonn.
- 2013 Organised session “*Money for the nexus: state of global and European spending in vulnerable countries, challenges for implementation and contribution to food security*”, Organizer, together with Bettina Rudloff, Global Soil Week 2013 “Losing Ground”.
- 2013 International, interdisciplinary PhD research colloquium, CIDRe PhD students and veterinary students from Texas A&M, 21.5.2013, Experimental farm University of Bonn.
- 2012 International, interdisciplinary PhD research colloquium, CIDRe PhD students and veterinary students from Texas A&M, 16.5.2012, Experimental farm University of Bonn.
- 2011 Organised session “*NTM-IMPACT Case Study Session*”. Organizer, together with D. Orden, IATRC Annual meeting.
- 2011 Organised session “*NTMs, Agricultural and Food Trade, and Competitiveness: Findings from the NTM-IMPACT Project*”. Organizer, together with D. Orden, IATRC Annual meeting.
- 2011 Organised session “*Non-tariff measures: new data and new findings*”. Organizer, together with M.L. Rau and T. Heckeley, EAAE congress.
- 2011 Organised session “*Spatial competition in the dairy sector*”, Organizer, together with T. Heckeley, EAAE congress.
